

Join the Big Jim-Boree

Calling all Artists!

We have produced 16 “blank” Little Big Jims’s (LBJ’s) – half are 4' high, half are 5' high – ready for your creativity to take over.

Change what he is holding, his attire, his gender, his species – use the media and methods of your choice, as long as they are weatherproof. We want LBJ’s to show up everywhere on the Peninsula while Big Jim is away – at homes and businesses, including outdoor locations, so no obscenity or political content will be accepted.
